

Texas Coastal Management Program

Texas Land Commissioner George P. Bush is awarding up to \$1.8 million in grant funding for coastal projects in your area.

The Texas General Land Office will hold three workshops to provide information on the grant program and allow potential applicants to discuss specific project ideas with staff. Due to significant changes in the application process and funding categories, attendance is highly recommended.

Coastal Grant Funding Opportunities Through the Texas General Land Office

Proposed projects must be located within the Texas coastal zone boundary and address at least one of the following: public access enhancement, applied research and data collection, development and implementation of a fully-certified Coastal Nonpoint Source Pollution Control Program, and planning, community engagement, and restoration that enhances coastal resiliency.

Applicants must provide a local or third-party match of 40% of the total project cost to comply with federal matching requirements. Match may be in the form of a “cash” match, “in-kind” match, or a combination there-

of. Federal funds, received directly or passed-through by a state agency, cannot be used as match.

Submission of a pre-proposal is mandatory. Pre-proposals are due by 5:00 p.m. on June 14, 2018. Applicants will receive notification of whether a project may be submitted as a final application. Upon invitation, applicants must submit final applications with supporting documentation by 5:00 p.m. on October 3, 2018.
